Re: Holy Family Radio, Inc. (HFR)
WHYF (AM), Shiremanstown, PA
Facility Identification Number: 26973
Special Temporary Authority (STA)
BESTA-20190130AAK

Dear Ms. Girven:

This is about the request filed on January 30, 2019. HFR requests a further extension of the STA granted on June 25, 2010, to continue operating at an alternate site pending the filing of the required FCC Form 302 application to cover BP-20140820AAR.¹ In support of the request, we noted that HFR did not yet file the application.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA IS HEREBY GRANTED, and HFR may continue to operate with the following facilities:

¹ WHYF is licensed for ND daytime-only operation on 720 kHz with 2 kW, and BP-20140820AAR authorizes a new permanent facility using one of the existing WHP towers.

Geographic coordinates	40° 12' 58" N, 76° 58' 08" W (NAD 1927)
Frequency	720 KHz
Hours of operation	Daytime only
Operating power	Not to exceed 2 kW
Antenna type	Horizontal wire
Antenna efficiency	240 mV/m/km/kW
Overall height	18 meters (60')

HFR must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **August 24, 2019**.

Sincerely,

A handwritten signature in blue ink, consisting of a large loop followed by a series of smaller loops and a long horizontal stroke.

Joseph Szczesny, Engineer
